Sunday was a beautiful day so we decided to go on a trip. Mum prepared some sandwiches, dad took some drinks, my little sister Ann and I picked some strawberries from our garden.

We all wanted to go on a beach...but our car didn't start.

Dad called the mechanic but as it was Sunday he didn't answer.

I was sad- I really wanted to play in the sand and have a picnic with my family. Ann started to cry.

Then mum said "Let's have a picnic in our garden! You can invite your friends too!"

That was a great idea. Our neighbours, Jim and Sally, came and we all played in the garden. After some time we sat on a blanket and had our lunch. Dad relaxed reading a newspaper and mom read her favourite magazine. In the evening we invited Jim and Sally's parents and had a barbeque. The marshmallows were really good. It was a fantastic day!
